TO: Unincorporated Palos Township Residents

FROM: Cook County Building & Zoning Department

RE: New Single Family Construction, substantial additions and all other construction projects in Unincorporated Palos Township

Please be advised that effective February 2nd, 2014, we will not accept any permit applications for new construction, room addition construction, or demolition in unincorporated Palos Township until the following document is submitted with the permit application:

1. Approved (signed, sealed and dated) site engineering/grading drawings from the Palos Township Road District. These documents will have to be scanned and made part of the digital permit application submission.

NOTE: If the scope of work does not constitute an engineering review, we will need a waiver from the Palos Township Road District.

2. Driveway Permit (if applicable) from the Palos Township Road District.

Please Note: You must first secure site engineering approval from the Palos Township Road District Office at 10802 S. Roberts Road, Palos Hills, Illinois 60465, (708) 598-4418.

You can apply for any other permits except the aforementioned and submit the Palos Township permit or waiver while permit is being processed.
